

CHATEAU HAUT-LABORIE 2009 (Bordeaux)

50% MERLOT, 30% CABERNET SAUVIGNON, 20% CABERNET FRANC

The chateau is owned and worked by the Cardarelli family, now in its fourth generation, and considerable investment in both the vineyards and the winery over the last three years has seen a dramatic improvement in their finished wines. This is a classic Bordeaux blend driven by the plummy goodness of Merlot, structured by the addition of both Cabernets and the resulting wine is deep in colour showing aromas and flavours of black cherries, blackberries and hints of chocolate.
